

**TO:****IKC Partner/Organization**

After great success last year with over 275 attendees, the premier women's health conference is returning to Western Kansas under a new name! Immunize Kansas Coalition (IKC) is partnering with Early Detection Works (EDW) to combine the popular events "Pink Ladies Night" and "Día De La Mujer Latina" to bring you **Entre Mujeres: The Health of Women**. We would like to extend an invitation to be a sponsor or exhibitor for our **Entre Mujeres event on October 26, 2024, in Garden City, KS, from 3:00–6:00 p.m.**

Entre Mujeres is an empowering conference focusing on the health of women. It brings an engaging approach to educating all women on preventive health measures. Women will learn how to protect themselves against breast cancer with health screenings and exams, as well as cervical cancers with the HPV vaccine's proven protection against six HPV-related cancers. We will offer clinical breast exams and HPV vaccines, as well as food, massages, and fun activities.

This conference will be presented in Spanish with interpretation in English to make it inclusive for all women.

As a sponsor or exhibitor, you'll have the opportunity to connect with women from across western Kansas! This is a great opportunity for all, you won't want to miss out. Additional sponsorship benefits include your logo on the event webpage, an exhibit table, and more!

Interested? **Find details regarding sponsorship and exhibitor registration on the attached flyer and our webpage.** With the event scheduled for October 26, 2024, **we request that sponsorship and exhibitor registration be submitted no later than October 18th.** Early registration is encouraged to maximize your sponsorship benefits. **We hope to count on your support as we bring Entre Mujeres: The Health of Women back to Garden City.**

Want to learn more about our previous conferences? Check out our [event webpage](#).

If you have questions about sponsorships or the event, please reach out to IKC Executive Director, Geovannie Gone at [ggone@immunizekansascoalition.org](mailto:ggone@immunizekansascoalition.org).
