## Angelica Castillo Chappel

### Event Moderator

Angelica Castillo Chappel is an involved and enthusiastic community leader who has earned a reputation for accomplishment in fields from public service and business to organizational administration and finance.

Born and raised in the Mexican city of Chihuahua, she has lived in the U.S. since the age of 13 and considers Garden City home. Recognized throughout Southwest Kansas, she has been on the staff of Security State Bank since 2019 as a financial mortgage specialist, where she has applied more than 20 years of experience in meeting community borrowing needs.

She has also served in other various capacities, including work as property manager and co-owner of the Labrador Apartments complex in Garden City, but may be best known as president of the Garden City Community Mexican Fiesta, an extensive annual celebration dating back to 1926 which today incorporates a scholarship pageant, downtown festival, parade, and additional activities.

She earned a bachelor's degree in business administration from Friends University, Wichita, with a focus on business management, and an associate degree at Garden City Community College, both completed as an adult student. She also graduated from the Midwest Institute for Organizational Management, Madison, WI, in 2007; and from Garden City High School in 1992.

In addition to staging the annual fiesta, she served four years with the Garden City Area Chamber of Commerce as vice president for membership services and promotion. She has also worked in grain accounting, and served Golden Plains Credit Union four years as a member services representative and eight years as an internal auditor.

She serves on the St. Catherine Hospital Board of Directors in Garden City, and simultaneously lends her talents to the Black Hills Energy Citizens Advisory Council, President of the Crime Stoppers Board of the Garden City Police Department and St. Mary Catholic Church Finance Council.

Bilingual in English and Spanish, Castillo Chappel was named Minority Business Advocate for the State of Kansas in 2005. She is a graduate of the 2004 Garden City Leadership class. She maintains Credit Union National Association certification as a compliance expert and bank secrecy compliance specialist. One of her proud accomplishments was to be nominated and be part of the Kansas Leadership Program in 2017 and in 2019 served as co-chair to welcome the class to her beloved city.

She is active in yoga, golf and loves to run. She and her husband, John Chappel, have five children and nine grandchildren between them, including Camila, a daughter who still lives at home. The Chappels operate a growing construction and property management enterprise, serve as partners for the beautiful Main Street Food & Brew Hall, and devote considerable time to their family.

## Trish Miller, MD

### Obstetrician Gynecologist

Dr. Trish Miller is a Board Certified Obstetrician Gynecologist. She began her medical career volunteering as a candy striper at the age of 15, progressed through nursing school and then on to medicine. A first-time college graduate in her family, she earned her bachelor's degree in Biology with an emphasis in Microbiology and minor in Biochemistry from Emporia State University.

She then attended medical school as a single mother at Des Moines University in Iowa and residency with the University of Missouri in Kansas City. She was a member of the Tri Beta Honors Society during her undergraduate years and continued on to win many awards during her post-graduate and residency years. She has published a children's book on Attention Deficit Hyperactivity Disorder and enjoys advocating for ADD/ADHD children and their families. Other areas of particular interest are domestic violence awareness/support and public awareness of local charity opportunity

Dr. Miller moved to Southwest Kansas in 2017 to work as an OBGYN at Saint Catherine's Hospital, where she served as Obstetrics/Gynecology and Pediatric Director and also served on the SCH Medical Executive Committee and Physician Leadership Counsel. During her early days in Garden City she discovered a love for oil painting and embarked on a journey of selfcare and art therapy through oil painting. Her works have been featured in galleries including Mark Arts Gallery in Wichita, KS, Jones Gallery in the Art District of Downtown Kansas City, KS, 2nd Ave Art Guild & Gallery in Dodge City, KS, Baker Arts in Liberal, Kansas and more. Her works were published in Curatorial Volume 2, Leaders in Contemporary Art. Her prints and original works can be viewed at <https://fineartamerica.com/art/trish+millier>.

Although she was born in Texas and raised in Eastern Kansas, Dr. Miller fell in love with the people of Southwest Kansas. In the spring of 2021, she started Miller Aesthetic Medicine and now works there full time expanding her focus to include comprehensive MedSpa services and Women's Health- Clinical Gynecology. She is an InMode Aesthetics Top US Provider performing in the top 10th percentile for Morpheus8 procedures in the country. She plays an active role in local community philanthropy & events. Some of her areas of support include Garden City Beef Empire Days, Garden City Community College Endowment, Russel Child Development, Garden City Fiesta, Miss Garden City Fiesta Scholarship Pageant, Garden City Wind, Finney County Athletics, Tumbleweed Music Festival, Free Youth School Physicals and more.

In her spare time, she loves spending time with her family, oil painting and traveling. She visits her son in Wichita, Kansas frequently. After her mother died at an early age of 68, she made a promise to herself and her Dad to visit him in Texas every month for the rest of his life! She has a French Bulldog, Miss Ophelia Mischa Millie, who accompanies her everywhere she goes, including work! "My home and heart are in Southwest Kansas and I feel so blessed to be a part of this community," she shared.

## Anna Alexandra Titus DNP, APRN, FNP-BC

### Family Nurse Practitioner

Alex Titus is a bilingual healthcare professional with over a decade of experience in nursing, including three years as a family nurse practitioner in Garden City, KS. Originally from southwest Kansas, she earned a doctoral degree from the University of Kansas where a strong passion for community health and education developed.

Committed to improving the well-being of diverse populations, Alex continues to advocate for accessible healthcare and community wellness initiatives.
